1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/4/04 has been entered.

2. The following is an examiner's statement of reasons for allowance: Applicants have amended the process claims to be commensurate in scope with the product claims as discussed in the interview of 1/28 & 29/2004, where the product claims were previously indicated to be allowable. Update of the search provided Derflinger et al (6,723,391), which is of interest for plasma depositing multilayer coatings of which may use claimed materials, but in different layer configurations than claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
